Professional Announcer

To whom it may concern;

It is with great pleasure that I recommend Matthew Myers. I have worked with Matt during the past ten years in the rodeo and bull riding industry.

Matt has always displayed a high degree of professionalism, responsibility, and ambition. Matt is always prepared at every event we have worked together, and always does his homework to learn about the event, competitors and stock that he will be announcing on for that event.

Matt is always energetic and ready to get the crowd pumped up as soon as the show begins.

Matt would be an asset to any production as an announcer.

Sincerely,

Billy Cochrane
